

Department of Athletic Affairs

Welcome, Rattler fans, to the Department of Athletic Affairs!

Within SGA's Executive Branch, Athletic Affairs serves as the liaison between FAMU Athletics and Student Government. We are responsible for ensuring that the needs of student athletes are met and to foster school spirit in their efforts on the field. We strive to aid in Athletics' goal of building champions both on and off the field by praising their academic successes as well.

The Department of Athletic Affairs is your nucleus for everything FAMU Athletics. We hold pep rallies for the campus to cheer on our athletic teams to Rattler victory. In addition, we work with Athletics to showcase Rattler athletes in good academic standing and award them for their amazing work. Athletic Affairs will work to raise the morale of looked over sports that need more support. We strive to bridge the gap between the student body and its athletes to ensure that all students take pride in our sports teams. In doing so, we will work with the Strike Team bring the highest quality of Rattler Pride. We will take a pivotal role in the Student Athletic Advisory Council and the Athletic Advisory Board to stay abreast with all student athlete affairs. As current and past student athletes in the department, we have a personal connection to producing the best for our student body.

Strike on rattlers!

Amber Hannah
Secretary of Athletic Affairs

Christina Mattis
Deputy Secretary of Athletic Affairs
