

Department of Student Welfare

Greetings Striking Rattlers,

The DNA of all Rattlers have success, achievement, love and charity pumping through it. With a humble heart, receptive mind and working hands it is an honor to welcome you to the grand Department of Student Welfare. The Department of Student Welfare within the Executive Branch of the Student Government Association here at Florida A&M University is responsible for ensuring that the needs of all Rattlers are being met, no matter the magnitude.

The holistic being of the Rattler is our top priority! Through public and private scholarship opportunities, employment and internship assistance, housing affairs, daily entertainment, high school spirit promotion and the overall welfare of the Rattler, we plan to make this the best year(s) for a Rattler.

The love and pride for the amazing students here at our illustrious institution will be exemplified throughout every facet of this department. My vision for this year is to create an experience for each of you that is equivalent if not greater than the experience so many other Rattlers and I have had. I will work closely with all organizations on campus with one goal in mind, creating a better FAMU for you! Stay aware, stay alert and stay informed we are tailoring workshops, seminars, empowerment sessions and school spirited events just for you! I wish to hear from you, the student body on what it is you would like to see happen.

Rattlers, Mr. Secretary of Student Welfare is looking forward to an amazing year with you!

Humbly Submitted,

Percy H. Henry III
Secretary of Student Welfare
