Senator Butterfield is leaning more towards the students and helping them out when we begin allocating the funds. .

Senator Knox is starting to think about events on campus that we funded last year that were over/under-allocated.

Senator Butterfield brought up the idea about online voting and adding more precincts, and to implement the use the SGA official iPads. Also,

to possibly set up a system similar to FAMU Info/alerts to create a way to send out SGA alerts to keep the student body updated on “what is going on in SGA?”

Nomination of Vice Chairman was voted on by the present committee members and Jabari Knox was selected as a result.
