E. New Business

- Title Revisions- Title 4,5,8  
Pro Tempore Moricette begins by reading Title 4, and revises Chapter 300.03 to remove the word “that” and add that special senate meetings are to be called 24 hours prior. Also made changes to 300.06 to say Fifty percent plus one instead of simple majority. In chapter 301.03 it was changed from 5 days to 5 business days. In 302.03 it was changed from written report to oral written report. In Chapter 305.02 the second point was taken out because it seemed very redundant in the way it was written. In chapter 404.4 it was changed from documentary to documented. Removed “resting in case” from chapter 405.5. In chapter 408 the wording is very awkward and it was decided to have the Judicial Branch review this Title and make recommendations.
