- Title Revisions- Title 10
Senator Strong begins with reading Title 10, in Chapter 901.3 under point F it was changed from “Entire Seated membership” to “Majority,” because this point had no relevance to anything so it was changed to majority to make more sense. In Chapter 903 it was removed from it saying “Constituents,” to students removing students from an elected or appointed position, and the whole second sentence was taken out. It was changed in 904 under point C from “determined” to “confirmed” to bring more clarity to the subsection. Also changed under point F from “10 School days” to “10 Business days.” A lot of grammatical errors and misspelling mistakes were corrected. Corrections will be finished on a meeting to be made during the week.
