- Title Revisions- Title 11
Senator Strong is chosen to begin reading Chapter 10. Senator Jean-Baptiste says he will tell Pro tempore Moricette to add “Royal court members are automatic members of the perspective class cabinet.”
It was suggested by Senator Carter to change it from “reports to student senate”, to “once a month.” Grammatical errors were corrected like changing Mrs. to Miss. It was changed from 1004.4 under point A. from “SGA representative” to “SRC Committee Chair or his/her designee.”
There was discussion about the GPA being raised from 2.8 to 3.0. Senator

Strong and Chairwomen Orborn argue that it should be raised, the rest of the committee believes it should stay at 2.8 but they understand their argument. It was decided to add Supreme Court after “2/3 majority vote” in 1006.1. Then it was changed to make the “definition of dethroning” Chapter 1006.1 and then “Grounds For dethroning” for Chapter 1006.2. It was decided to strike 1007.2 ,

Senator McClinton moves to accept Title 11 revisions with said corrections. Senator Strong 2nd.
