

## Office of the Attorney General

Greetings Rattlers,

It is with great pleasure that I welcome you to the Office of the Attorney General. As the Legal Advisor to the President of the Student Government Association, it is my job to represent the best interest of the Student Government Association and the governing documents at all times. My deputy and I are responsible for statutory revision, enforcement of compliance of all Statutes, interception of all complaints regarding the Student Government Association, and maintenance of the library that encompasses the Constitution, System of Student Body Statutes, Senate Internal Rules of Procedure and Public Record.

Our department's goal is to keep internal order throughout all three branches, sustain a professional ethical workplace and to ensure all policy, procedures and documents are being followed at all times. As always, I have an open communication policy and I serve as resource for any member of the student body of Florida Agricultural and Mechanical University who has questions, comments or concerns regarding any matter within my jurisdiction. I look forward to seeing the Student Government Association's growth and productivity in the 2018 – 2019 academic year.

With Love & Charity,

Briana Orsborn  
Madam Attorney General
