Title: MANRRS 2017 Annual Conference (March 29, 2017-April 01, 2017)
Legislation: Senate Appropriation Bill

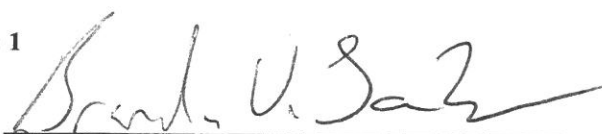

| | |
|-------------------|---|
| Whereas, | The Florida Agricultural and Mechanical University Student Senate is the Legislative Branch of the Student Government Association and is empowered to pass legislation as it deems necessary to carry out the functions of the Student Government Association, and |
| Whereas, | The Minorities in Agriculture, Natural Sciences and Related Sciences (MANRRS) is a national society that provides students with a strong professional network and dynamic career opportunities in an industry with a small percentage of minorities. The annual conference is an opportunity for members to present research and represent the university to the best of their ability, and |
| Whereas, | The FAMU chapter of MANNRS lack sufficient funding to represent the university at the annual conference, students will not have the opportunity to compete in research project competitions and bring national attention to the land-grant arm of FAMU which is the College of Agriculture and Food Sciences, and |
| Whereas, | This opportunity impacts every student enrolled within the College of Agriculture and Food Sciences in many ways including: <ul style="list-style-type: none"> • Shedding light on the outstanding research being done at CAFS • Bringing more agriculture corporations to FAMU's campus • Providing research opportunities for CAFS students |
| Therefore, | <u>Be it Appropriated,</u> twelve-thousand two hundred dollars (\$12,200.00) to the FAMU chapter of MANRRS |

Proviso Language: The legislation shall take effect immediately upon signage by the Student Body President. MANRRS must give a presentation to the Student Senate on April 17, 2017 about their accomplishments at the conference.
