Title: A BILL TO ALLOCATE FUNDS TO THE NATIONAL SOCIETY OF BLACK ENGINEERS

Legislation: Organizations and Finance Committee

Whereas, All senators of Florida Agricultural & Mechanical University Student Government Association are empowered to allocate funds to any club or organization or event as stated in the Florida Agricultural & Mechanical University Student Body Constitution *Article III Section 6*, and

Whereas, The National Society of Black Engineers is an empowering organization focused on the involvement of STEM minorities by traveling to many Black engineering conventions to show the positivity of Blacks within the STEM field, and

Whereas, NSBE is one of the ONLY organizations that give Engineering major students of all levels the exposure to progressive networking and internships to not only help them graduate, but receive a job after graduation, and

Whereas, NSBE intent of going to Black Engineer of the Year Award (BEYA) in Washington, DC on February 9th, 2018 is to increase the positive vision of Blacks in STEM for our collegiate peers.

Therefore, Be it appropriated to allocate \$8,500.00 to the FAMU Branch of the National Society of Black Engineers to further commit those actions and serve our STEM peers by allowing them to attend this convention.

Description and Purpose for Travel

BEYA, it is a conference that is geared towards Black STEM Students and is held every year in February. This conference is an event where STEM students from all over the country come together and have the chance to network with established professionals, participate in workshops some in which they can receive certifications, attend a huge career fair with top employers ready to give out jobs and internships and attend a beautiful gala where outstanding STEM majors are honored for their work and involvement in the STEM world. A couple of our students will be honored.

It is an amazing opportunity for FAMU's bright students and many of our alumni have received jobs and internships from this conference in the past
