- Mediation (Resolution?)

Chairman McKinney and A&S liaison Braggs expressed their opinions regarding the ASBC minutes being sent out by Senator Gilbert. The mediation was successful, as each senator received the time to express their opinions and viewpoints. We have come to the conclusion that communication is key, and if there are any suggestions, please address it to an individual senator or follow chain of command.

- Elections & Vacancies

Elections will begin September 14th and vacancy graphics will be posted during the same time as elections to fill positions as new senators are elected.

- Update on Vice Chairs & Previous Committee Meeting

All chairs have been chosen in each committee. IDSC committee meetings will take place on Wednesdays at 6pm.

Senator Gilbert plans to step down as vice chair once freshman senators are elected.
