D. Old Business

- Plan of Actions for the semester/year
 - Robinson- Planning for elections. Has partnerships and different organization collaborations. Had some miscommunication with the EC pertaining to the “So you think you can lead” event. Spoke to the EC about fall elections conflicts. The EC was against the idea of making prospective senators take a test before being able to run for a position. Plans to have a vote on this idea once freshmen senators are elected.
 - Lewis: Planning PSA and a sexual assault PSA with Xavier McClinton. Wants to collab with FAMU PD. Dropping liason application.
 - Braggs: Three A&S reports by the end of December. working on the budget amendments, forming an audit review committee. A&S reports.
 - McKinney: Working on the budget, setting up ways each committee member can attend a different committee meeting each week, posting an allocation survey, working on rattler roundup.
 - Walter: Will focus on the point system, making it stricter and more enforced. Still working on plans considering his new appointment to chair.
 - Burns: Senator performance reports, senate bonding, new senator trainings. Will also obtain liasons from different entities on campus.
