Title: Senate Secretary Position Advertisement
Legislation: SR16SU-005

Whereas,	It is the responsibility of the Student Government Association to pass legislation as it deems necessary and proper to express the will and of the Student Body, and
Whereas,	It is important that we as a Student Senate implement best practices through legislation and maintain governing documents that are consistent for all branches of SGA and other student run entities on campus, and
Whereas,	The 46 th Student Senate passed SB16SU-008, Senate Secretary Position Advertisement which dictates that the Secretary and Assistant Secretary of the Student Senate shall be interviewed by the Senate Executive Committee and confirmed by the Student Senate by a two-thirds (2/3) vote, and
Whereas,	Other positions in Student run entities including the Executive and Judicial Branches of SGA, the Electoral Commission, and the Campus Activities Board must be advertised before members of the Student Body are appointed by the head of their department/ entity then confirmed by the Student Senate, it is only fair that the position of Senate Secretary be advertised as well, now
Therefore,	Be it resolved that beginning on the first day of classes of the Fall 2016 Semester, the positions of Senate Secretary and Assistant Secretary are advertised for 10 business days before interview, deliberation, and recommendation by the Senate Executive Committee, followed by confirmation of the Senate Secretaries before the Senate by a two-thirds (2/3) vote. The position must be advertised in at least 3 official University information outlets such as the FAMUAN, FAMU Forward, and the University's internal emailing system, etc.
