Title: 2016-2017 Annual A&S Budget Rectification
Legislation: Special Allocation

Whereas,	It is the responsibility of the Florida A&M University Student Senate to pass legislation as it deems necessary to express the will and opinion of the Student Body, and
Whereas,	It is the responsibility of the Student Senate to pass the Annual A&S Fee Budget by a 2/3 majority vote, but due to errors overlooked by the 45 th Student Senate, the Annual Budget had to be adjusted after it has been passed for the final time to reflect the Greek-Life Coordinator line item that was never voted out of the budget officially, and
Whereas,	Dean of Students, Associate Vice President of Student Life, The (now) Associate Director of Student Affairs (SGA Director), SGA President, Senate Pro-Tempore, and the Organization and Finance Committee Chair decided that it would be in the best interest of Student Government to reclassify the Greek-Life Coordinator position to the Associate Director of Student Affairs (SGA Director) who has the responsibility to directly oversee Student Government, in order to maintain the integrity of the Association's autonomy and structure, which resulted in a \$13,610.00 raise in salary for that line item, and
Whereas,	The Associate Vice President of Student Life has deemed it illegal to update the Annual A&S Budget to reflect this agreement, as the former SGA President had not seen these changes previous to her vetoes, but the salary for the line item of Associate Director of Student Affairs (SGA Director) must still be attended to, and

Therefore,	Be it allocated an additional \$13,610.00 to the salary of the Associate Director of Student Affairs (SGA Director),
